

What a great night we have had at our first Off Road of the 2023 series. A stunning turnout of 92 runners took part on a slightly rerouted 4.25 multi- terrain course. Our new Chief Marshals Jo & Angela did an amazing job of overseeing it all and there was a really strong contingent of Deestriders there to help and marshal. We love seeing our friends from other clubs and new faces taking part. Well done to all who ran and helped.

If you missed out on this event there are still three more over the summer months. Entry form on our website.
