

There have been some recent changes to the core lineup at our home parkrun Wepre parkrun!
Huge thanks from all at Deestriders to Ann and Stu for all their sterling work over the years. It's been a pleasure to run and volunteer with you and we wish you all the best.

We are very excited and proud that long-serving Deestriider Martin Witty has joined the core team. As a former club chair, Border League captain and ongoing key player in the organisation of our Off Road Grand Prix series, he's got the skills required for this important role and we wish him and Sharon a fantastic experience as they take charge of this weekly event! 🍀👊🏠
