

Derby, what derby?

We're all for a good sporting rivalry but did you know, we actually DO like Buckley Runners Club!! 😊💚💙

And not just because they always send a great turnout to our off road. Any club that promotes our great sport as well as they do, including the hard work their members have put in over the years to help provide our home parkrun of Wepre, deserves our respect. See you guys on 6 September! 😊

EDITED Our off road final race is 6th September- not 1 September, sorry!!

Thank you to Craig Hunter for this lovely snap of him and our Amanda, who took some time off from guarding the car park gate at Care and Repair to take part in Ras y Tren today. Whether you beat that pesky train or not, well done to all who ran!
