

Deestriders Running Club celebrates its Ruby anniversary this year- we were established in 1982. We're doing various events to mark the occasion and on the morning of Sunday 3 July club member and 'Teastrider' Vikki Foulkes is organising a litter pick on the cycle path. You don't have to be a Deestrider to take part- we'll make you feel very welcome- and it could be a chance to be in the paper!!! Please let us/ Vikki know if you're interested.
